INS MID-YEAR MEETING
CELEBRATING
50 YEARS
CAPE TOWN, SOUTH AFRICA
05-08 JULY 2017
The International Neuropsychological Society (INS) celebrates its 50th anniversary in 2017. The 2017 INS mid-year meeting will be held in Cape Town, South Africa at the award-winning Cape Town International Convention Centre from 5 to 8 July 2017. It will be the second time that this important gathering of the global neuropsychological community will be hosted in Africa.

Organised around the theme Celebrating 50 Years the Congress is committed to showcasing new frontiers of neuropsychological science and practice as a means to improving, developing and enriching the human condition.

The Congress will host world-renowned scientists and cutting edge practitioners and provide a facilitative forum for the exchange of appropriate information and ideas that will continue to drive the discipline to new levels of excellence during the next 50 years and beyond. In keeping with the Congress theme, the development of neuropsychological knowledge, skills and tools over the past 50 years will also be evaluated.

Fascinating tours (including famous UNESCO World Heritage sites like Robben Island and one of the seven Natural Wonders of the World, Table Mountain) and breathtaking wildlife safaris will be on offer for both delegates and accompanying persons. Experience the warm hospitality of Africa through participation in this unique opportunity to enjoy both a dynamic scientific and social programme in a unique and stimulating cultural centre.
